6. [ ] Checked with James Gehrig and Charles Ducander, of the Senate and House Space Committees respectively, to determine whether either of these Committees had been briefed by NASA or anyone else on the subject of the Soviet FOBs. Both of these staff men said that neither they nor their Committees had received any briefings on the subject.

7. [ ] Was unsuccessful in repeated efforts to reach Miss Lynch, in the office of Representative Henry Reuss (D., Wis.), concerning the status of the application of [ ]. I will try again first thing tomorrow morning.

8. [ ] Spoke with Miss Sharon Apfelbaum and Diann McCormick, in the office of Representative Ken Hechler (D., Va.), concerning the interest of an Annapolis midshipman in seeing one of our recruiters, preferably on or near the Annapolis campus. According to Personnel, [ ] has been in touch with us previously and I informed Miss McCormick of our nonproselytizing policy as reported to me by Personnel, but said that we would set up an appointment with a Personnel representative at [ ] for the purpose of answering such other general questions which he may have. Miss McCormick pressed for a location closer than [ ] and I said I would check, but I was quite sure that [ ] would have to come to [ ].
